

Education & Training

Medical Training

The IFPA has been providing training to medical professionals since 1977. Our next **Contraception Foundation Course for Nurses and Midwives**, approved by the Nursing and Midwifery Board of Ireland, **will take place on Saturday 14th and Sunday 15th of October 2017.** [More](#) ^[1]

Sexual Health Training

The IFPA offers a range of training programmes on sexual health. Our programmes include **workshops** for young people; **one-day sexual health trainings**; **Speakeasy**, which supports parents to talk to their children about sexuality and relationships; and **Speakeasy Plus**, which focuses on sexuality and disability. Our next one-day sexual health training takes place in **Spring 2018.** [More](#) ^[2]

Graduate Certificate in Sexuality and Sexual Health Education

The IFPA and Dublin City University have partnered to develop Ireland's first university programme on sexuality and sexual health education. **Level 9 Graduate Certificate in Sexuality and Sexual Health Education** commences in September 2017. [More](#) ^[3]

Education and Training Resources

The IFPA has a comprehensive range of **education and training resources**, including contraception factsheets, information leaflets, infographics, videos and resources on sexuality and disability. **More** [4]
