## IFPA Counselling Locations

The IFPA is the only nationwide three-option counselling service. Our counsellors are here to give you accurate, clear and honest information and support on all three options - parenting, adoption and abortion.

Our counselling service is free and located in ten locations across Ireland: Cork, Dublin City Centre, Tallaght (south Co. Dublin), Dundalk, Galway, Gorey, Letterkenny, Limerick, Sligo and Waterford. Appointments are made through the IFPA National Pregnancy Helpline 1850 49 50 51. Our staff will be able to book a suitable appointment for you, give you directions and answer some basic questions.
